

WHO WE ARE

Assistance Dogs International (ADI) is a worldwide coalition of non-profit organizations that train and place assistance dogs for individuals with disabilities to improve their quality of life. Founded in 1986, ADI has become the leading authority in the Assistance Dogs industry.

MISSION STATEMENT

ADI fosters a collaborative global community dedicated to the highest standards of excellence for the assistance dog industry.

OBJECTIVES

- Establish and promote standards of excellence in all areas of assistance dog acquisition, training and partnership
- Facilitate communication and learning among member organizations
- Educate the public about the benefits of Assistance Dogs and ADI membership.

Assistance Dogs organizations that pass ADI's accreditation process become ADI Accredited Member organizations and are regularly assessed to ensure they meet the highest standards in the industry.
