

## MISSION STATEMENT

Assistance Dogs International (ADI) is a worldwide coalition of non-profit programs that train and place assistance dogs with individuals with disabilities to improve their quality of life. Founded in 1986, ADI has become the leading authority in the Assistance Dogs industry.

## OBJECTIVES

The objectives of Assistance Dogs International are to:

- Establish and promote standards of excellence in all areas of assistance dog acquisition, training and partnership
- Facilitate communication and learning among member programs
- Educate the public to the benefits of Assistance Dogs and ADI membership.

Assistance Dogs organizations that pass ADI's accreditation process become ADI Accredited Member programs, and are regularly assessed to ensure they meet the highest standards in the industry.
