

Southeastern Guide Dogs seeks a self-directed Dog Trainer/Veteran Instructor for its Service Dog program.

The program trains and places exceptional dogs into careers benefiting veterans who live with Post Traumatic Stress Disorder. Gaining confidence from these dogs, veterans expand their lives, regain mobility and independence and re-integrate into their communities.

This is an exciting position for an energetic individual who is eager and available to travel 25% of the time. This person will train our Service Dogs and work directly with our Veterans during the application and screening process, the residential training classes, and the post-graduation, in-home support. At times, this Trainer will come into contact with highly sensitive situations and will be expected to comfortably and tactfully help alleviate any stressful factors contributing to such situation.

We are currently seeking individuals who **already hold a Certification in Service Dog Training.**

To be considered, a candidate should possess:

- **REQUIRED:** A certification as a Dog Trainer (C.P.D.T. or A.D.I. preferred)..which **must be indicated within the resume**
- **REQUIRED:** 3+ years relevant dog training experience
- Preferred: Formal training in the field of Psychology
- Excellent oral and written communication skills
- Strong organizational skills
- The ability to work a flexible schedule, including travel when necessary.

**** While we appreciate your interest in working at Southeastern Guide Dogs, we request that you do not call or email about your application. We receive hundreds of applications each week and process candidates as quickly as possible. Because of the high volume, we may need several weeks to process each one. Calling or emailing will not increase your chances of an interview, and we will get back to you as soon as possible. ****
